

Department of Internal Medicine

- Division of Geriatric Medicine and General Internal Medicine
 - Geriatric Acute Care and Comprehensive geriatric assessment
- Division of Gastroenterology
 - Inflammatory bowel disease
 - Fecal microbiota transplantation
 - Therapeutic endoscopy
 - Bariatric endoscopy
 - Endoscopic ultrasonography
 - Enteroscopy
- Division of Hepatology
 - Clinical hepatology, including hepatitis (viral and non-viral hepatitis), cirrhosis, hepatocellular carcinoma, NASH, fatty liver
 - Liver tumor local ablation
- Division of Thoracic Medicine
 - Sleep Medicine
 - Bronchoscopy/Pleuroscopy
 - Pulmonary Rehabilitation
 - Critical Care Medicine
- Division of Hematology-Oncology
 - Hematopoietic Stem Cell Transplantation
- Division of Oncology
 - Clinical Oncology
 - Palliative Care
- Division of Nephrology
 - Kidney Biopsy
 - Kidney Ultrasound
 - Hemodialysis
 - Peritoneal Dialysis
- Division of Endocrinology and Metabolism
 - Thyroid Radiofrequency/Microwave ablation
 - Thyroid Ethanol ablation
 - Diabetic foot intervention and treatment

- Division of Cardiology
 - Complex Percutaneous Coronary Intervention
 - Complex arrhythmia ablation and 3D mapping
 - Cardiac Implantable Electronic Device Implantation
 - Advanced echocardiography
- Division of Infectious Diseases
 - Clinical infectious diseases
 - Infection control
 - Clinical microbiology

Department of Surgery

- Division of General Surgery
 - Hepatobiliary and pancreatic surgery
 - Liver transplantation surgery
 - Bariatric surgery
 - Breast Surgery
- Division of Thoracic Surgery
 - Robotic surgery
 - Minimal invasive thoracic surgery
 - Lung transplantation
- Division of Cardiovascular Surgery
 - Valve surgery
 - Aortic surgery
 - Aortic stent surgery
 - TAVI
- Division of Neurosurgery
 - Brain tumor surgery
 - Endovascular intervention
 - High cervical surgery
- Division of Plastic Surgery
 - Craniofacial plastic surgery
 - Trauma Plastic Reconstructive
 - General Plastic Surgery and Burn Center
 - Plastic Reconstructive Microsurgery
- Transplant & General Urology
 - Urethral stricture reconstruction
 - Kidney transplantation
 - Endoscopic urolithiasis surgery
- Division of Geriatric Urology
 - Prostate laser surgery
 - Prostate enucleation
 - Robotic urological reconstruction
- Andrology and Female Urology
 - Surgery for stress urinary incontinence and pelvic floor reconstruction

- Division of Uro-Oncology
 - Robotic radical prostatectomy with neurovascular preservation
 - HIFU for localized prostate cancers
 - Robotic partial nephrectomy
 - Robotic cystectomy with total intracorporeal reconstruction
- Division of Colon & Rectal surgery
 - Robotic Colorectal Surgery
 - Advanced application of colonoscopy, ESD, EMR, colonic stent.
 - Pelvic floor disease
- Division of Pediatric Surgery
 - Neonatal Surgery
 - Laparoscopic Surgery

Department of Orthopaedic Surgery

- Department of Spinal Surgery
 - Spinal deformity surgery
 - Minimally invasive spine surgery
- Department of Joint Reconstruction
 - Minimally invasive hip/knee arthroplasty
 - Complex revision hip/knee arthroplasty
 - Periprosthetic joint infection treatment
- Department of Sports Medicine
 - Shoulder, elbow, wrist, knee, hip, ankle arthroscopy
 - Shoulder, elbow, wrist, knee, hip, ankle arthroplasty
- Department of Orthopedic Trauma
 - Precise Orthopedic Trauma Treatment
 - Pelvic/Acetabular Fracture Reconstruction
 - Periprosthetic Fracture Treatment
- Department of Pediatric Orthopedics
 - Orthopedic surgery for pediatric neurogenic deformities
 - Surgery for all kinds of pediatric limb deformity
 - Pediatric fracture management

Department of Otolaryngology

- Head and Neck Cancer
 - Head and neck cancer surgery
 - Robotic surgery in head and neck cancer
 - Laser surgery in laryngeal cancer

Department of Psychiatry

- Division of Child and Adolescent Psychiatry
 - Autism Integrated Care Program
 - Pediatric Sleep Medicine
 - Child and Adolescent Psychiatry

Department of Dermatology

- Division of Immunodermatology
 - Psoriasis
 - Drug Allergy and Adverse Drug Reaction to Cancer Therapy

- Autoimmune Skin Disease (Autoimmune Bullous disease, Systemic Lupus Erythematosus, Dermatomyositis, Scleroderma, Vasculitis)
 - Atopic Dermatitis and Urticaria
- Division of Dermatologic Surgery
 - Skin Tumor
 - Nail Surgery
 - Vitiligo and Pigment transplantation
 - Varicose Vein
 - Bromhidrosis Surgery
- Division of General Dermatology
 - Pediatric Dermatologic Disease
 - Infectious and Hair Disease
- Division of Cosmetics (Taoyuan Branch)
 - Cosmetic Surgery
 - Laser, Light, Energy and Filler

Department of Physical medicine and Rehabilitation

- Department of Physical medicine and Rehabilitation
 - Pediatric rehabilitation
 - Musculoskeletal disorder and sport medicine
 - Neurologic rehabilitation
 - Geriatric rehabilitation: sarcopenia and cardiopulmonary rehabilitation

Department of Anesthesiology

- Department of Anesthesiology
 - Organ transplant anesthesia
 - Pediatric anesthesia
 - Neurosurgical anesthesia

Department of Medical Imaging and Intervention

- Division of General Radiology
 - Tumor ablation and starch embolization
 - Interstitial Lung Disease
 - Hyperpolarized ¹³C MRI
- Division of Neuroradiology
 - Interventional Neuroradiology
- Division of Emergency and Critical Care Radiology

- Emergency Radiology
- Pediatric Radiology
- Urologic Radiology
- Musculoskeletal Radiology

Department of Radiation Oncology

- Proton and Radiation Therapy Center
 - Proton therapy

Department of Nuclear Medicine

- Department of Nuclear Medicine
 - Theranostic radionuclide
 - Molecular imaging

Department of Anatomic Pathology

- Department of Anatomic Pathology
 - Gastrointestinal and Hepatic Pathology
 - Surgical Pathology

Department of Laboratory Medicine

- Department of Laboratory Medicine
 - Molecular diagnostics
 - Clinical immunology

Department of Traditional Chinese Medicine

- Division of Internal Medicine and Pediatrics
 - Myofascial Pain, sciatica, arthritis, and bursitis
 - Cerebral palsy
 - Sequelae of cerebral vascular accident (CVA)
 - Sequelae of traumatic brain injury and spinal cord injury
 - Subluxation and dislocation
 - Post-orthopedic surgery care
- Division of Acupuncture & Chinese Orthopedic Traumatology
 - Allergic diseases
 - Integrative Cancer Care
 - Integrative care: chronic kidney diseases
 - Systemic autoimmune diseases
 - Body weight control
 - Dermatologic diseases
- Division of Gynecology
 - Uterine fibroids and endometriosis
 - Menopausal symptoms and premenstrual syndrome (PMS)
 - Abnormal menstrual periods, Amenorrhea
 - Postpartum care, including recovery from delivery and mastitis
 - Polycystic ovary syndrome
 - Ovulatory disorders

Department of Ophthalmology

- Division of Oculoplasty
 - Orbital tumor
 - Ocular reconstructive surgery
 - Eyelid and lacrimal surgery
- Division of Glaucoma
 - Trabeculectomy
 - Selective laser trabeculoplasty
 - Glaucoma treatment
- Division of Retina
 - Micro-incisional retinal surgery
 - Uveitis
 - Retinopathy of Prematurity
 - Macular surgery
 - Optic nerve diseases
- Division of Cornea
 - Cornea transplant surgery
 - Steven-Johnson syndrome
 - Laser refractive surgery

Department of Obstetrics and Gynecology

- Division of Reproductive Endocrinology and Infertility
 - Reproductive Surgery
 - Assisted Reproductive Technology
 - Fertility Preservation
 - Basic and Clinical Reproductive Research
- Division of Obstetrics
 - Fetal therapy
 - High risk pregnancy
- Division of Gynecologic Oncology
 - Laparoscopic staging surgery for endometrial cancer (including pelvic lymph node dissection)
 - Radical surgery for gynecological cancer
 - Cytoreduction surgery for ovarian cancer
 - Hyperthermic intraperitoneal chemotherapy (HIPEC)
 - Multidisciplinary team in gynecological cancer care
- Division of Endoscopy
 - Laparoscopic Surgery
 - Hysteroscopic Surgery
 - NOTES Surgery
- Division of Urogynecology
 - Anti-incontinence Surgery
 - Pelvic Floor Reconstructive Surgery

Department of Pediatrics

- Division of Pediatric Gastroenterology
 - Pediatric Gastroenterology
- Division of Pediatric Pulmonology
 - Pediatric Pulmonology
- Division of Pediatric Hematology & Oncology
 - Pediatric Hematology & Oncology
- Division of Pediatric Nephrology
 - Pediatric Nephrology
- Division of Pediatric Endocrinology & Genetics
 - Pediatric Endocrinology & Genetics
- Division of Pediatric Cardiology
 - Pediatric Cardiology
- Division of Pediatric Allergy, Asthma & Rheumatology
 - Pediatric Allergy, Asthma & Rheumatology
- Division of Pediatric Neurology
 - Pediatric Neurology
- Division of Pediatric Infectious Diseases
 - Pediatric Infectious Diseases
- Division of Neonatology
 - Neonatology
- Division of Pediatric Critical Care Medicine
 - Pediatric Critical Care Medicine
- Division of General Pediatrics
 - General Pediatrics

Department of Dentistry

- Department of Craniofacial Orthodontics
 - Craniofacial Orthodontics
